Why should I sign?

100,000 or more enslaved in the US today
17,000 being trafficked to US every year
80% are women and **children**.

Christ calls us to minister to the least of these – those imprisoned, hungry, weak, those who are just a mere stranger. (Matthew 25:40)

Your signature will place an initiative on the ballot to help end human trafficking in California. We need to change the law so that a community can exist where children are less at risk to become victims and those who have already been trafficked can be rescued.

If believers across California join together, we can be Christ's hands and feet to help thousands of victims. The church is the last hope for "the least of these" whom God loves.

What can I do?

1. Sign the Petition.
2. Ask others to sign.
3. Pray!
